**KINDNESS:** Speak a blessing to your children.

Your affirmation will give tremendous encouragement to your children as they strive to grow in the area of **kindness**.

Use this as a reminder to “speak a blessing” when you see this godly characteristic in your son or daughter.

- “Good job being kind, <child’s name>.”
- “I see you have a lot of ‘kindness fruit’ growing, <child’s name>.”
- “<child’s name>, you are such a kind boy/girl.”
- “Thanks for being so kind, <child’s name>.”
- “You have such a kind heart, <child’s name>.”
- “Thank you for thinking of, <name the recipient of your child’s kindness>, instead of thinking of yourself, <child’s name>.”
- “Did you know God delights when He sees kindness? I bet he is happy right now.”
- “<child’s name>, thank you for choosing not to pay back wrong for a wrong.”
