On October 30th, Bishop Kmiec will celebrate his Jubilee Year. He is celebrating 75 years of life, 25 years as a bishop, 50 years as a priest and 7 years of service to the Diocese of Buffalo. His motto is 'Charity and Service,' and in support of this motto our youth of the diocese are banding together to host a Food Bank - Food Drive.

Annual Fall Food Drive

In order to participate, we will hold our **Annual Fall Food Drive** a few weeks earlier this year. All of the donated items will be counted and reported to the Diocesan Lifelong Faith Formation office and a certificate denoting these totals will be presented to Bishop Kmiec on October 30th. Our donations will be delivered to the food pantry at St. Lawrence Parish in Buffalo and they are extremely thankful for our continued support.

- Please bring in donations beginning the week of **October 11, 2011** to the Rel. Ed. office.
- Please be sure to check the expiration dates on all containers.
