

Dear Parents:

On December 18th, from 12:00pm–2:00pm, Nativity will be hosting a Christmas party for both school and Parish families in the school cafeteria. We are asking each grade to help by providing food or beverages for the party. Your grade assignment is listed below. Please bring your item(s) to the school by 11 o'clock the morning of December 18th. If you can't bring your donation that day, you can leave it in the cafeteria with it labeled. We are hoping many people will attend the party so your help is important to us. We also need volunteers that day to help set up and clean up after the party! Please tear off the bottom form and send into school to Jamie Miller c/o Luke Ferrentino (grade K). We appreciate anything you can do to support our efforts!

Thank You and Happy Holidays,

Santa's Party Planners
