

Nativity of Mary

Volunteer Information

The Nativity Home School Association is responsible for supporting our school through various fundraising programs throughout the year. We are making every attempt to simplify our efforts. In order to reach our goals we rely on the participation of our parents. There are many times we need extra hands to help during the year and we are looking for everyone to get involved in some way if they can. It is a great way to meet other parents, be a part of the school and church community and help make our school a great place for our children to grow and learn.

Please take the time to fill out the information below. I will use this information to provide opportunities to as many moms and dads as help is needed.

Name: _____

Children's Names and Grades: _____

Are you interested in volunteer opportunities throughout the year: YES _____ NO _____

IF YES:

What Days of the week are best for you?

Monday _____ Tuesday _____ Wednesday _____ Thursday _____ Friday _____

What time of the day is best for you?

Morning _____ Afternoon _____ Evenings _____
