

Stuffed Animal Hospital

Bring a stuffed animal with you!

Make and take home a hospital gown, bracelet, and plaster cast for your pal!

**Clarence Public Library
Thursday January 12, 2012
6:30 P.M.**

Come to the library with your favorite cuddly friend. It's time to pretend as *Creative Essence* of Clarence Center hosts a make believe 'Immediate Care' clinic for your favorite stuffed animal.

If Teddy Bear thinks he isn't feeling well, bring him in for a fun stay at the "hospital." Visit the "doctor," listen to a story, and have a bedtime snack before heading home.

"Creative Essence is a place where possibilities come to life."

"Our mission is to provide a community space that supports creativity using a multitude of mediums where people come to share skills, inspiration and a few laughs along the way."

**Space is limited for all programs.
Registration required and begins December 29.**

Thanks to the Friends of the Clarence Public Library for supporting our programs.
