Stuffed Animal Hospital

Bring a stuffed animal with you!

Come to the library with your favorite cuddly friend. It's time to pretend as *Creative Essence* of Clarence Center hosts a make believe 'Immediate Care' clinic for your favorite stuffed animal. If Teddy Bear thinks he isn't feeling well, bring him in for a fun stay at the "hospital." Visit the "doctor," listen to a story, and have a bedtime snack before heading home.

Program begins at 6:30. Registration begins December 29.
